

# Want to know where your MP candidates stand on life issues?

---

In the next parliament there is likely going to be a push to introduce an extreme abortion law and a renewed push to introduce assisted suicide.

Find out where your MP candidates stand on abortion and assisted suicide - and ask them to sign the Both Lives Pledge at [www.righttolife.org.uk/bothlives](http://www.righttolife.org.uk/bothlives).

The Both Lives Pledge outlines three policy changes that are designed to increase protection for babies in the womb and end pregnancy discrimination for women - policies that will save lives by protecting and supporting both mother and child. MP candidates are being asked to pledge their support to:

1. Stop discrimination against baby girls by supporting a law change to clarify that sex-selective abortion is illegal.
2. Bring UK law closer to the laws in the majority of EU member states by lowering the gestational time limit for abortion.
3. Support women in the workplace by backing policies designed to end pregnancy and maternity discrimination.

Polling shows all three of these policies are strongly supported by the general population and are likely to be raised by politicians in the next parliament.

Ask your MP candidates to sign the Both Lives Pledge now - it only takes 30 seconds.
