The abortion lobby, led by the UK's largest abortion provider, BPAS, has worked with Diana Johnson MP to bring forward an amendment to hijack the Police, Crime, Sentencing and Courts Bill to introduce **abortion on demand, for any reason, up to birth to England and Wales.**

This would be the single biggest change to abortion legislation since 1967 and would leave England and Wales with one of the most extreme abortion laws in the world.

Right To Life UK has launched an easy-to-use tool that makes it simple for you to send an email to your MP asking them to vote against the motion.

You can do so by visiting
